- I understand and state that I am physically and mentally capable and trained to participate successfully in open sea condition diving. I further acknowledge that Sunreef Diving will give no refunds for seasickness, inability to equalize or for any other reason that prevents an individual from participating fully.
- I have no medical condition that would affect my ability to safely dive and I am not taking any medication that has not been approved by my physician for diving. I am not currently under the effect of alcohol or drugs.
- I will not fly within 24hrs from surfacing after my last dive.
- I warrant that as a certified diver my skill levels are at least equal to a newly certified open water diver. I understand that dive guides supplied by Sunreef are solely to enhance my diving experience and not because such guidance is required to compensate for my lack of diving skill.
- Sunreef may cancel or change trip destinations at any time due to weather or any other unforeseen circumstances.
- I will follow the direction of Sunreef staff at all times to ensure a safe and fluid operation. I will listen to all briefings and seek advice if I don't understand any part of the brief.
- I take the responsibility for checking the safe and correct operation of my dive equipment prior to diving whether the equipment be provided by myself or Sunreef Hire Gear. I will carry and know how to use the following :- safety sausage, whistle and dive computer.
- I take responsibility for the planning of my dive and then diving my plan within a safe NO DECOMPRESSION DIVE.
- By signing this I agree to release Sunreef, its employees/ contractors or associated agents from being sued for personal injury, wrongful death or damage to personal equipment. I am fully aware of the contents of this form and have clearly read and understood all the above points.

If I am undertaking a dive on the EX-HMAS Brisbane I understand that my first dive will be an orientation dive with guide. No penetration will be allowed. Penetration dives are not to be undertaken if the sea conditions, visibility or diver ability are not seen adequate by Sunreef Employees.
