

TAKE A TRIP WITH US!

Lady Musgrave Island

And the wider Capricorn Bunker Group

Have you heard??? Lady Musgrave and the Capricorn Bunker island groups are without a doubt one of Queensland's finest diving and snorkel destinations. *Breathtaking* clear blue waters and *unbelievable* marine life. Situated at the southern end of the Great Barrier Reef,

Lady Musgrave is one of the most beautiful coral cays that you can explore with approximately 1192ha of surrounding pristine reef, not forgetting the gorgeous azure-blue coral lagoon. Throughout your dives in the area you can expect to see turtles, mantas, reef sharks, sea snakes, moray eels, rainbow coloured tropical fish, and wonderful coral life.
